

Victor K. Anderson.

Thursday, Jan. 24, occurred the death of Victor Anderson at his farm home in Griggs county north of Wimbledon. The deceased has been ailing for several months past and the end was not unexpected. He was an old resident in his community, and although he had rather peculiar ideas about various things, he was very well liked by his friends and neighbors and made a good citizen. He was born in Sweden Sept. 19, 1847 and married Augusta Anderson Dec. 27, 1872. to this union five children were born of which two sons and two daughters are living. They are Anton, Charley, Esther and Ida Anderson and reside on a farm east of Wimbledon. The deceased has quite a large farming interest in Griggs county, and and we are informed, that he made his will shortly before he died and the two daughters are to have the property.

Funeral services will be held at Hannaford Tuesday of next week, Feb. 15.

To the bereaved members of the family the deepest sympathy of the people of this community is extended.
