

Joe Gebus was here from Portal this morning and informed us that his brother Jacob was killed at Minot Wednesday by the Soo passenger train 105. He was at the station waiting for the train to take him to Portal and just as it arrived he fell back off the platform in front of the engine and his legs were cut off and the body badly bruised. He was taken to a hospital where he died a few hours later. The remains will be shipped to his home in Wisconsin for burial. He was married about two years ago. The sympathy of his host of friends here is extended Joe Gebus the bereaved brother.
