

DEATH OF ANDREW MARSOLEK

PASSED AWAY ON TUESDAY MORNING AFTER A LINGERING ILLNESS.

Andrew Marsolek passed away at his home southwest of town on Tuesday morning at 9:45, after an illness of more than a year with kidney trouble and dropsy. A young man in the prime life disease laid its fangs upon him and in spite of every effort to overcome it he finally succumbed and death was not unexpected.

Andrew Marsolek was born in Germany thirty-one years ago and has made his home southwest of town for the past six years where he has been engaged in farming. He owned a half section of land in an ideal spot near a nice lake and had things comfortable around him. He was a hard worker and had a large number of friends. He leaves a wife and two small children to mourn his untimely death.

The funeral services will be held tomorrow at the Polish Catholic church at Fried and interment will be made in the cemetery there.
