

HIGH SCHOOL BASKET BALL TEAMS

The Courtenay basket ball teams have made a very good record considering that this is their first season. They have played everything from Harvey to Tower City regardless of the size of the towns or the reputations of the teams. The girls played 11 games and won 6. Their only disastrous defeat was from Tower City which has held the high school championship of the state for four years. The boys played 8 games and won 5.

The Doctor's Tale of Woe.

He must not walk his rounds, for
fear the patients think him
poor,

And dearly do they love to see a
carriage at their door;

And if his horse is fat—"He must
have little work to do"—

And if its lean, the reason is—
"He starves the poor old
screw."

Should he call upon his patients
each day when they are ill

His motive plainly is to make a
great big doctor's bill.
