

School Notes

The new text books have just arrived.

Mabel Hellmund entered school Tuesday.

Miss Hattie Nelson was a school visitor Tuesday.

Ella Kupka was a new fourth grade pupil Tuesday.

Mrs. Otterburn and Miss Lewis visited the school this afternoon.

Charlotte, Lester and Pierce Serrin were enrolled Wednesday.

Harlow Serrin, who has been assisting at the mill for a few days, returned to school Wednesday.

Mr. Larson has kindly consented to the schools using the opera house for their basket ball games. Two girl teams and a boy's team will be organized as soon as the necessary preparations can be made.

It was found to be necessary to close school Monday and repair the chimney. The teaching force took the noon freight to Wimbledon and spent the afternoon in visiting the school there. Arrangements were made for a declamation contest between the high schools of the two towns, to be given later in the season.

Mrs. Ross assisted by Mrs. H. N. Tucker are endeavoring to secure a sufficient number of subscriptions to the Minneapolis Journal to make it possible for the Mohr-McMillan entertainers to come to Courtenay and give their program for the benefit of the Public School Library. This is certainly a worthy cause—one which should receive the hearty support of all.
