

GEM ITEMS

Earl Ferguson is building a new barn 28x30.

We are having plenty of good rains and crops and gardens are looking fine.

B. A. Norris and Earl Derickson are hauling the lumber for the new school building.

There will be an ice cream social in the school yard Friday night, given by the Ladies Aid. Everybody invited.

Earl Ferguson and Calfee Williams made a business trip to Wimbledon on Saturday and will return the first of the week.

A. L. Hoffman is building a poultry house, painting his residence and otherwise improving the appearance of his place.

The county road gang finished their work here on Friday and moved. They put in several much needed grades and culverts.

The contract for the new school building was let to C. C. Overton and work will be begun soon. The old building was sold to B. A. Norris.

Mrs. Martha Dorsit of Watertown, S. D., arrived Saturday and will keep house for D. G. Wilson. She was accompanied by her son and daughter.

Gem was well represented in Pingree on market day. Some of the people enjoyed themselves so much they did not notice the clouds coming up and failed to get home until the following day.
