

LOCATION. — THE HORSES WERE FOUND.

Tuesday night horse thieves got into Hans Leraan's barn and got away with three of his best horses. The discovery was not made until this morning when Mr. Leraan got busy and phoned and wired the information in every direction. By night the horses were located just across the Griggs county line where they had been left and Mr. Leraan promptly re-possessed himself of the stolen horses. — McHenry Free Press.
