

Willie Swanson is now located at Willow Lakes, S. D., in the employ of the Great Northern Railroad. In a letter to the Gazette a few days ago he makes the following remarks: "Enclosed please find money order for \$1.50 for the Gazette. I don't know how I would get along without the Gazette as it is the same as being at Courtenay when reading it. Am getting along fine and dandy. Am working as operator here and expect to get an agency in a couple of months. I quit the Soo as I wanted to see a little of the country and accepted a position with the Great Northern railroad."
