G. A. Tucker left on Monday for Mizpah, Minn., where he will look after his timber interests for a day or two and will then go to Minneapolis where he will be joined by Mrs. Tucker and son Avery. From there they will journey through Texas and Mexico and on to California where they will spend some time enjoying the sunshine and flowers which bloom in the Sunny South, while North Dakota is covered with a mantle of snowy white. They will then tour Oregon and Washington, arriving back here in time for Tucker to look after the spring work on his extensive land holdings in this vicinity. Mr. and Mrs. Tucker were among the first settlers here and having made a success of their chosen occupation they are now taking a well earned vacation.
