

Ethel Brown, daughter of Mr. and Mrs. A. J. Brown, died on Friday morning of last week of pneumonia. She had been sick with diphtheria for some time and was recovering from this when she caught cold and it rapidly developed into pneumonia and in a short time she was beyond all help. The death is particularly sad owing to the fact that the house was still under quarantine and the neighbors were powerless to assist the family in any way, and a great deal of sympathy is expressed for the bereaved parents. Ethel was a girl about twelve years of age and possessed a lovely disposition and was a great favorite among her girl friends. She was buried in the Courtenay cemetery on Saturday.
