

NOGOSEK-KLIMEK

ANTON NOGOSEK AND MISS SOFIE KLIMEK WERE MARRIED ON TUESDAY AND THE OCCASION IS PROPERLY CELEBRATED.

At one o'clock on Tuesday of this week occurred the wedding of Mr. Anton Nogosek to Miss Sofie Klimek, at the home of the bride's parents, Mr. and Mrs. Andrew Klimek, four miles south of town. The ceremony was performed in the presence of a large number of friends and relatives of the contracting parties and immediately after the ceremony a bountiful wedding dinner was served and the guests were made to enjoy themselves. During the evening all went to the spacious barn on the farm of Herman Scharf, a mile south of the Klimek home where they engaged in dancing which was continued until daylight Wednesday morning. While the barn was

large it was not half large enough to accommodate the crowd which assembled to celebrate this happy occasion and all night long all the available space was occupied with the merry dancers. All the people for miles around were present and this was certainly one of the happiest events that has taken place in this section of the country in some time.

Mr. Nogosek is a prosperous farmer south of town and owns three quarters of fine land and has things pretty comfortable for his young bride, and there are few young couples in this section of the country with brighter prospects for a happy and prosperous future before them.
