

School Notes

Teachers and pupils take up the work with renewed zeal since the breathing spell of a week. It was no doubt wise to give all a chance for a little rest from labor.

C. A. Sanford and Dr. Macdonald of the board of education visited the schools Wednesday afternoon. The board will have a large number of trees planted on the school grounds this year and the grounds will also be fenced.

A basket social will be given at the opera house Saturday evening, April 14, by the high school room. The object is to help defray expenses of the commencement exercises. Every one is invited to come and have a good time. Every lady is invited to contribute a basket. Some excellent vocal and instrumental musical numbers will be furnished for your enjoyment. Every gentleman in the city is invited to come and secure a basket.
