

School Notes

The basket social held at the opera house netted the class about \$40. This is considered quite satisfactory and the class wish to extend their thanks to all who aided in making the affair an entire success. All present seemed to enjoy the evening very much.

This fine weather is excellent for study. Let every pupil endeavor to make every days count until the close of the year's work. Six weeks after the present one closes the year. There is much yet to be done ere the term is wound up.
