

Kensal Items

Journal, Aug. 22—Reports from Geo. House are that he is improving and that he will be up and about soon.

Miss Hazel Coffman returned Monday evening from her visit, to Graceville, Minn.

Mrs L. H. Olson and children were arrivals from Minneapolis last week, and are spending a few weeks visiting Mr. Olson.

Miss Bertha Heritstad, after a few weeks visit with Christ Erickson's departed Tuesday for her home at Hanaford.

Dr. Longstreth arrived home from Valley City Tuesday evening. The doctor feels considerably relieved but is as yet unable to move around very fast.

This section was visited by a frost Monday night, which in some places around was quite damaging to grain and especially to late flax and garden truck.

Sheriff Wasser and States Attorney Thorp were business visitors in town, from Jamestown Tuesday. We acknowledge a pleasant call from the latter gentleman.

A new elevator has been built at Miller's Spur, about nine miles west of Kensal. The Independent Grain and Fuel Co., is in the name of the concern in charge, and is headed by parties at Drake.
