

Joe Nogosek was in town this week looking after business matters and also politics. He has not done much active campaign work and does not intend to, as he is pretty busy looking after his farming interests and can hardly afford to spend much time running around the country. Mr. Nogosek is one of the old timers in this county and this is the first time that he has been before the people for an office, but has devoted his time to farming and has made a success of that. He is one of the most prosperous farmers in the county and is familiar with the conditions thereof. He is the republican candidate for county commissioner in the third district.
