

# SCHOOL NOTES

(By a High School Student)

Final examinations are being held in Miss Conway's room this week.

\* \*

The first and second year English classes are having a series of debates this week, and the students are very busy with the same.

\* \*

Miss Vera Wilson was absent from school on Friday on account of illness.

\* \*

Miss Sara Horn substituted in Miss Palmer's room Tuesday morning and a pupil of that room was heard to remark that she was "strict." Keep it up Sara, it's a good beginning.

\* \*

Miss Hulda Berg enjoyed a visit from her sister the latter part of last week.

\* \*

Misses Lucy McWethy and Mae Parson were Pingree visitors last Saturday. They report a splendid time.

\* \*

We miss "our Senior" this week, the reason for her absence being that she is teaching school for her sister, Miss Bessie Robinson.

\* \*

The students of the H. S. all had an attack of insomnia Tuesday. Why? Ask 'em!

\* \*

The high school students are now busy in preparing for the week's outing at the lake and are even counting the days.

\* \*

The students are all rejoicing for only two weeks more of school.
