SOMETHING NEW

Mrs. Aristocrat—Did you hear what Mrs. Nouveau Riche said to me at the concert this evening?

LEGISLATORS' PERQUISITES.

Spanish deputies, some of whom are agitating for a salary, already enjoy certain privileges. They are entitled to frank their letters and to travel on all the railways in Spain free of charge. Unlike the French deputies, however, they have to pay for refreshments consumed in the chamber, the only article supplied gratuitously being barley sugar. Of this there is an unlimited supply, and lady visitors to the chamber are always presented with a packet of this delicacy, which serves to sweeten the debates.
