Progressive Republicans

Meet at Valley City

The meeting at Valley City of the committee of the State Progressive League adjourned Saturday morning after a long session and resulted in making Fargo headquarters for the campaign committee. LaFollette was endorsed for president, but no action was taken on any state candidates. Sentiment was divided among those present as between Buchanan and Bendeke of Grand Forks, with preference for the former. Aaker was present and consented to become a candidate for lieutenant governor if the demand was for him in that position. The Grand Forks crowd were anxious to trade headquarters for the candidate for governor. The name of Judge Hanson of Cass county was dropped.

Buchanan Candidate

for Governor

At a meeting of the progressive republicans held at Grand Forks Tuesday evening, James A. Buchanan was unanimously selected as the progressive republican candidate for nomination as governor at the coming primary election next year. Mr. Buchanan will soon make his formal announcement and his many friends are confident that he will occupy the governor's chair during the next administration. H. H. Aaker has withdrawn from the race and this will leave an open field for the progressive candidate. It is thought that Attorney General Miller will not try to make the race for governor but may again come out as candidate for re-election.
