John Siebert Jr. arrived yesterday morning from Rochester, Minn.; where he has been for a month or more in company with his wife who underwent an operation for a tumorous growth at the St. Mary's hospital under the direction of the Mayo brothers. The operation proved successful and though complete recovery is slow it will only be a matter of time to bring her back to her former good health and strength. Mrs. Siebert is expected to arrive in a week or two provided no serious complications set in.
