

G. O. Thompson, who, for three years past has been employed on the Gazette resigned his position last Saturday and he left Monday morning for Max, N. D., to visit his sister who resides at that place. From there he intends to go to Montana. He said he had decided on no future location but it is the general opinion that he will be engaged in the newspaper work in one of the rising cities in the western part of this state. During his brief stay with us in the capacity of make up and pressman we found him to be a very competent and willing associate; always hard at work and ever ready to lend a helping hand so far as the issuance of the Gazette was concerned and it is with sincere regret that we see him go. We join with his many friends in wishing him an unlimited amount of good luck.
