

SCOVILLE--MILNE.

D. W. SCOVILLE AND MISS NELLIE MILNE WERE MARRIED ON WEDNESDAY AT THE HOME OF THE BRIDE'S MOTHER.

Wednesday afternoon at three o'clock at the home of the bride's mother, Mrs. W. A. Milne, just north of town, was solemnized the marriage of Mr. D. W. Scoville to Miss Nellie Milne, the ceremony being performed by Rev. Noordewier of the Presbyterian church of Courtenay in the presence of the members of the family. They were married with a ring and the ceremony was very beautiful and impressive. The bride was attended by her sister, Miss Ida Milne, and Frank Sullivan acted as best man.

The bride was handsomely gowned in white silk with overlace trimming and carried roses. The bridesmaid was also dressed in white and wore roses, while the groom and best man wore the conventional black.

After the ceremony an elaborate wedding dinner was served.

In the evening a reception was held at the Windsor hotel for Mr. and Mrs. Scoville and this was attended by a large number of friends of both the bride and groom. The house was thrown open to the guests and about ten o'clock dancing was commenced in the dining room where those who like to dance made merry until an early hour Thursday morning. Games of various kinds were played in the parlor and everybody enjoyed the occasion very much.

A large number of gifts were presented, among which was a very handsome bed, several clubbing together and purchasing it. There were also many other useful as well as ornamental articles among the collection.

Mr. Scoville is the junior member of the firm of Scoville & Clemo, who have leased the Windsor hotel and are doing a good business. He is a young man with good business qualifications and his chances for making a success of life are very good. The bride is the second daughter of Mrs. W. A. Milne and is a refined and cultured young lady whose friends are legion. She has taught school in this vicinity for a number of years, and her services were always in demand.

The Gazette joins their many friends in congratulations.
