

Homer Shaner and Miss Clara Topping of this place, were married a week ago last Monday at Fargo and at present are enjoying their honeymoon in the east part of the state. The bride is the daughter of Mr. and Mrs. T. H. Topping and the groom is a son of Mr. and Mrs. James Shaner, and are among the most highly respected young people of this locality. Mr. Topping went to Fargo and was present at the ceremony and only upon his return was the first information given out of the happy event, friends and acquaintances little suspecting their intentions, which may in a measure have been due to the fact that the bride has been with friends in the east part of the state during most of the summer. Mr. and Mrs. Shaner will return here in a short time and make their future home. The Journal extends the usual congratulations.—Velva Journal.
