

Alert.

Mrs. Lulu Everts has commenced suit for damages, through her attorney, J. E. Burke, against H. O. Jeglum, Albert Freitag, W. R. Polar, Fanny Wyman and Emil Leben, in the sum of \$2,000 each. Mrs. Everts claims that these parties signed affidavits detrimental to her fair name and character, therefore they will be asked to prove the charges or plank-down the coin. The action is supposed to have grown out of the Everts vs Everts divorce case last winter relative to the custody of the children.—Velva Journal.
