

TWO DEATHS

AUGUST PANCO AND SYLVESTER MARSOLEK ARE CALLED TO LAY DOWN THE DUTIES OF THIS LIFE.

The community in the neighborhood of the Charles Schumacher farm was startled on Monday evening when it was learned that August Panco had met his death very suddenly by falling off a barn or shed which he had been repairing. Nobody was with him at the time he fell and it is not known just how it happened but he was found a short time afterwards by some of the neighbors. Mr. Panco was a man 72 years of age and had lived southwest of town and was a highly respected citizen. The funeral was held yesterday afternoon and the remains were brought to Courtenay and shipped to Chicago this morning where the deceased had requested that he be buried. John Lange arrived from Chicago last evening and accompanied the remains back to their last resting place. Mrs. Panco and several other relatives remain to mourn the loss of the departed.
