The COURIER only learned a few days ago that Mrs. John S. Byington had died a week ago last Saturday, down east where she had gone to get medical treatment. This is a very hard blow to Mr. Byington, as he had only been married about a year. We have learned no particulars in this case, but understand that her death was caused from hemorrhage of the lungs. The deceased was a lady highly respected in Griggs county, by all who knew her, and her death is a sad blow to her many friends.
