

Obituary.

The Courier has to chronicle this week the death of Luella Elina, the ten months old daughter of Mrs. M. L. Michaels, which occurred at the residence of Mr. Knud Thompson, on Thursday, Nov. 13th, 1890, of inflammation of the bowels brought on through teething. A few days ago Mrs. Michaels drove down from her home at Lee with her father. During the drive to town the baby contracted a severe cold, and that, together with cutting teeth, ultimately resulted in its death. It is a sad blow for the young mother whose every thought was for the welfare of her babe whom she idolized. The afflicted mother has the sympathy of the entire community. The funeral will take place tomorrow afternoon.

A precious one from us has gone,

A voice we loved is stilled:

A place is vacant in our home,

Which never can be filled,

God in his wisdom has recalled

The boon His love has given;

And though the body moulders here,

The soul is safe in Heaven.
