

Sam Langford had a serious fire out at his farm, Tuesday, in which he lost his barn, one horse belonging to Conductor Johnson, three set of harness and about twenty-five tons of hay. Sam had been to the Cooper ranch and on his return went into the house to get his dinner, and while he was eating his dinner the fire started, but what started it he does not know. The fire was discovered in time to get all the horses out but the one burned and that one he could not induce to come out. It is a big loss to Sam, but he is a rustler and will soon make up what he has lost. He had a new barn under way before the fire was out.
