

A fine baby boy was born to Mr. and Mrs. R. C. Hazard last Sunday morning at 11 a. m., March 18th. Mother and child doing well. The fact that the boy was born on the birthday of the great and only Grover Cleveland, says Ran, does not make a democrat of him neither is it a sure thing that he will ever be president, but he thinks the young man is about the best boy within the borders of the county.
