

Fatal Accident.

A terrible accident occurred on the farm of Martin Ueland last Thursday in which Anders Ueland, the hired man, lost his life, and Martin Ueland had one rib broken and was otherwise badly bruised up. It seems that the hired man was driving a team hitched to a flax machine and was on the wrong side. The team became frightened at something and the man stooped over to gather up the lines and was thrown from his seat in front of the machine and was immediately cut up, his intestines being torn out, the pelvis bone broken and other serious injuries inflicted. Martin Ueland sprang to his assistance and in trying to help him sustained the injuries mentioned above. It was a terrible affair. The poor hired man was past medical aid and died at 12 m. Friday and was buried the next day. He was no relative of Martin Ueland and was a stranger practically. Dr. Brimi lent all the aid he could but the man was past help. He fixed up Martin Ueland who is getting along nicely, and his many friends rejoice at his lucky escape from death, at the same time they deeply deplore the loss of the poor, unfortunate man.
