

Dazey Commercial: Chas. Hubbel, a farm hand, met with a bad accident last Friday night at the Harry Stanley farm, where he was employed. Hubbel is a somnambulist and was sleeping in the barn. Sometime during the night he was walking around and fell from the hay loft. Three of his ribs were broken and he was otherwise injured. He was taken to Valley City Saturday evening and at last reports seemed to be getting along as well as could be expected.
