

Mr. and Mrs. Jacob Miklethun and Mr. Miklethun's mother, Mrs. Lars J. Miklethun, returned from Fargo last Saturday. Mrs. Lars J. Miklethun has just recovered from an operation for appendicitis. Mr. and Mrs. Jacob Miklethun had been down with their little girl who is suffering with tonsilitis. The doctors advised that an operation be delayed until she had more fully recovered from an attack of pneumonia suffered some time ago, and nothing was done at this time.
