—We are in receipt of a wedding card from Wheatland, in which Mr. Albert S. Bliton, the editor of the *Wheatland Eagle* and Miss Nellie Boyd are the contracting parties. Mr. Bliton is one of Dakota's pioneer newspaper men, and the *Eagle* snars majestically in the front ranks of Dakota newspapers. The PIONEER wishes its brother editor and bride all bliss in their new relations. May their life's chapter be of the serial variety, double-leaded and continued indefinitely.
