## McFARLANE-FISK.

Cards have been received by friends, announcing the coming marriage of W. M. McFarlane, of Batton, North Dakota, to Miss Emma J. Fisk, at the home of the bride's parents, in Unionville, Whitesides county, Ill., on Thursday, Jan. 16th, 1890. Well, we rather thought Mac was going to do something of this kind, and yet it rather surprised us, too. The PIONEER, in conjunction with his host of friends here hope that the showers of blessings of this union may descend upon the happy couple like dew from Heaven. A long and happy life to Mr. and Mrs. McFarlane.
