

—Joel Jimeson's little girl happened to quite a serious accident last Tuesday morning. While seated in a buggy, the horse attached to the same became restless, and starting suddenly threw the little girl from the buggy and striking her head on the wheel and cutting a large and painful gash in the side of her head, inflicting a very serious wound. Dr. Phillip was called and dressed the wound and the little one was so much improved as to be able to be taken home to Cooperstown Wednesday.
