—Mayville Tribune, 18th: Lars Mahus, living two miles south of Golden Lake, was arrested last Saturday on complaint of his wife, charged with rape on the person of her fourteen year old sister. It appears Mahus and his wife were at the funeral of their brother-in-law, who recently died, and on returning to deceased's residence the wife announced her intention of remaining for a few days with her afflicted sister. Mahus refused to stay and went home where his wife's sister was in charge of their three small children, and it was during this interval that he repeatedly committed the crime. This happened in February, sometime. Mahus was here Wednesday in charge of Sheriff Lind, for the purpose of securing E. W. Ames as counsel. His examination takes place this morning at Sherbrooke.
