—R. D. Stewart together with his daughter and son, Miss Lena and Master Ray, departed Tuesday last for Tecumseh, Mich., where they will make their home in future. Mrs. Stewart remains here for a time in order to settle up some business matters. Our townspeople very much regret their departure and lose estimable citizens by their so doing. The best wishes of all Hope goes with the family with the hope heartily expressed that abundance of blessings and prosperity go with and abide with them.
