

Obituary.

We take the following from the Dawson County Pioneer, published at Lexington, Neb. The many friends of Mr. Guernsey, in Steele county where they were both favorably known, will sympathise with him in, where they were both favorably known, in his affliction in the loss of his wife:

Mrs. Martha Jane, wife of J. M. Guernsey, departed this life at Sumner, Neb., January 29, 1892. The subject of this notice was born at Mount Hope, Grant county, Wisconsin, on April 5, 1860. Age 31 years, 9 months and 24 days. She was converted under the labors of Rev. Wisman, and united with the Presbyterian church in Dakota. Removing to Lexington, Nebraska, she was received into the Presbyterian church at Lexington. Again moving to Sumner, where she remained until called to join the church triumphant. She leaves a husband, three little boys, with father and mother, brother and sisters, to mourn their loss, but the loss is her eternal gain. The deceased was also a member of the W. C. T. U. at Sumner. The writer improved the occasion by giving words of comfort and consolation to the bereaved ones, and warning to a large congregation, at the Presbyterian church at Sumner, from the text found in Rev. 7: 19-17. May God's great blessing rest upon the sorrowing ones, and sanctify this affliction for the good of all.
