

---

—Laura, youngest child of Mr. and Mrs. G. A. Warner, died last Friday evening at about four o'clock, aged 6 years 8 months and 28 days. Her death was caused by the after effects of scarlet fever and la grippe. She had been ill for many weeks and became steadily weaker, until death came to her relief. She was a bright and beautiful little girl and the heartstrings of the parents are torn with grief at her loss. They have the sympathy of the entire community in their sad affliction. The funeral services were held on last Sunday morning at the M. E. church, and were conducted by Rev. S. C. Heston, and the remains were laid at rest in Hope cemetery.
