
Jamestown Alert: A quiet wedding occurred this afternoon at the residence of Mr. and Mrs. J. A. Noen, the contracting parties being J. K. Banning and Gertrude Shackelton of Eckelson, N. D. They were married by Rev. Davis, and will be the guests of Mr. and Mrs. Noel. The bride deserves a special mention for her promptness and determination to meet her wedding engagement, as she walked two miles to the railroad station this morning during the storm to take the train for Jamestown, it being impossible to get a team through the high drifts. The young lady walked down the railroad track and caught the train.
