

## DEATH OF MRS. MAGNUS SWANSON.

The death of Mrs. Magnus Swanson occurred at her home in this city Friday afternoon. For about four years Mrs. Swanson has been troubled with heart disease, having attacks at intervals, and it was a recurrence of this disease which caused her death. Mrs. Swanson was a native of Norway and would have been forty-six of age had she lived until September. She and Mr. Swanson were married in the old country and celebrated their silver wedding last fall. She has been a resident of this country twenty-two years. She leaves a son aged eighteen, a daughter aged eleven and a sorrowing husband to mourn her loss. The funeral was held Sunday afternoon from the residence, Rev. Halling officiating.
