

# Starr-Bailey

---

Thursday's Fargo papers carried an item telling of a marriage license issued at Moorhead to Edwin Bailey and Mrs. Marie Starr. No particulars of the marriage were given so we can't report anything further on that score until next week. We understand the newlyweds were going to Douglas to visit the groom's sister, Mrs. H. S. Taylor, before returning to Sutton.

Needless to say, both of the contracting parties are well and most favorably known here where, happily, they number every acquaintance as a friend. They are an intelligent, well educated, honest and industrious pair and it is a real pleasure to chronicle their marriage.

Mr. and Mrs. Bailey will take up their abode on his father's place a mile south of town.
