

---

A sad and quite unusual automobile accident occurred on the state road Tuesday afternoon a mile or so west of Cooperstown. A Mr. Bottom and wife, from Williston who were returning from a trip to Minnesota in an Oldsmobile were struck from the rear by a Chevrolet driven 50 miles or more per hour, and thrown into a ditch by the side of the road, the lady being killed almost instantly. Both cars were moving in the same direction. The driver of the Chevrolet got away from the scene of the accident before any clues as to his identity could be secured, but later he was located at Carrington. It is reported that he is a traveling salesman for a Fargo firm.
