

Mid-Summer

Wedding

Hannaford Enterprise.—A wedding of a great deal of local interest took place on Tuesday, June 24, when Dorcas Magdalene Thoreson, daughter of Rev. and Mrs. P. A. Thoreson, became the bride of Fred Lewis Weeks of Kansas City, Kansas. The ceremony was performed at high noon in the Lutheran church of Hannaford, in the presence of two hundred friends and relatives.

The altar was banked with potted ferns and brightened by large cathedral candles. Rev. O. H. Sletten, uncle of the bride, gave the marriage sermon and Rev. P. A. Thoreson, her father performed the ceremony.

Mr. Oscar Overby played Mendelssohn's Wedding March as a processional and Greig's Wedding March as a recessional. Before the service, Mrs. Carl Scott sang, "O, Promise Me." Miss Esther Thoreson was her sister's maid of honor. The bridesmaids were Miss Ruth Olson and Miss Elisabeth Carrol. The groom was attended by his uncle David Park. The bride was conducted to the altar by her brother Marcus, who gave her in marriage.

The bride's gown was of white charmeuse satin with an overdrape of white chiffon, caught with hand embroidered orange blossoms and elaborated with shadow-lace. Her tulle veil was in cap effect, fastened with sprays of myrtle, falling to the hem of her court train.

After the ceremony the bridal party proceeded to the home of the bride's parents where an arbour had been erected on the lawn. A large dinner followed. The bridal table was very appropriately decorated. Toasts and speeches were given by Rev. Messrs. Sweger, Sletten, McEwen and Thoreson.

Mr. and Mrs. Weeks left on the afternoon train amid showers of rice and old shoes, for an eastern trip. They will be at home after July 15 at 1508 Belknap St. Superior Wisconsin.

The bride is the second oldest daughter of Rev. and Mrs. P. A. Thoreson. She was born and has grown to womanhood in this community. She is a graduate of the Hannaford high school and possesses many worthy accomplishments. The groom is a graduate of Yale University and is a civil engineer by profession and was one of the construction engineers for the Fargo-Surrey Cut-off of the Great Northern.

To this worthy couple the Enterprise joins with the entire community in extending heartiest congratulations.
