

Mrs. Bemis Dead

Mrs. W. W. Bemis died last Friday at her home southwest of Sutton. Her illness was mainly due to the strain of waiting on other members of the family during the siege of flu, which caused her to fall a victim to pneumonia. One of her daughters from Washington, Mrs. James Moore, arrived on No. 2 Friday evening. All of the other children except Mrs. Langendorfer, also of Washington, were present at the funeral which was held Thursday of this week.
