

Mrs A. J. Gunderson

Clara Hatvedt was born in East Grand Forks July 29, 1891 and died at Sutton February 10, 1920, being 28 years, 6 months and 11 days old.

She was married two years ago to Alfred J. Gunderson, their residence being Minot until the first of the year 1919 when they moved to Sutton, Mr. Gunderson having purchased the local drug store.

Besides the bereaved husband, the surviving family relatives are the mother and three brothers, of East Grand Forks.

The body was taken to Grand Forks last week and placed in an undertaking parlor there to await the recovery of the mother who was sick at that time, time, the funeral being held Wednesday of this week.

The sad feature of her death, as well as of others in the community, is the fact that a home is broken up, and the plans and aspirations for a future career are blasted. It always seems unusually sad when death invades a newly made home and takes the husband or wife, leaving the other to face the problem of a new start in life.
