

Married

Miss Tillie Rood of Sutton and Mr. A. J. Crook of Seattle Washington were united in marriage in Moorhead Wednesday. The bride met her husband during her stay the past year at Seattle. He has been engaged in the confectionery business in that city, but they will now live on a fruit farm which he owns near there. Mrs. Crook had for many years been a resident of this community, where she has relatives and a host of friends who will extend to her and the man of her choice their heartiest wishes for a happy married career.
