Courtenay Gazette—Mrs. Geo. Adams has accepted a position with the Liberty cafe at Valley City, and leaves Thursday evening for her new place. She has been hired to do the pastry work, and will be in full charge of all this special cooking. The Liberty cafe is one of the finest in this part of the state and anyone who has a chance for a position with this cafe, is considered very good and all know that there is no better pastry cook to be found than Mrs. Adams. We understand she has been offered a very good salary by the manager, who has been trying to hire her for some time. She will make her home in Valley City taking Ralph with her. Inez will remain in Courtenay until the end of the school term.—This is the cafe Bill Peters, formerly section foreman here, purchased an interest in.
