

The local I. O. O. F. lodge gave the initiatory degree to nine candidates Monday night of this week, requiring the greater part of the night to give the work. The victims were S. G. Howden, Oscar Holton, Milo Kingsley, Richard Bailey, Russel Bemis, Orson McWethy, Chester Byington, A. J. Gundersen and Melvin Johnson. The remaining three degrees will be given each Monday night until the candidates have received them all.
