

Mr. and Mrs. O. B. Hoff had a somewhat exciting experience Monday while returning home from Cooperstown. Their car had been giving trouble, and when near Roy Flick's, it suddenly burst into flames under the hood. Mr. Hoff, fortunately, had some sacks in the car, and with these he smothered the blaze, with no damage done except to the wires. Mr. Flick brought them home, and Mr. Hoff had Wm. Sutton go out with new wires, so they soon had it going as merrily as before. It is supposed the blaze was caused by a short circuit.
