

Mr. and Mrs. Warren Posey returned Saturday from their trip to Montana. According to his report, conditions could not be worse out there. There son-in-law, Mike Lorenzo and wife, have had to give it up and are moving to North Dakota to make a fresh start. E. T. Pratt, also, who has been working at C. A. Linse's and at Binford, has shipped his personal effects from out there to this country.
